In this context, since storage is no longer required, we erase said data or limit their processing in the event where we are not obliged to store such data by law and the procedures of the Company.

Data we process and purpose of processing

A) Information automatically recorded on our server.

(1) Data Logs

When you enter the Website, we collect the personal data (data logs) which are transmitted to our server from your browser. More specifically:

- Internet protocol address (IP- Address).
- Date and time of the request.
- Difference between time zone and the Greenwich Mean Time (GMT).
- Content of request (specific web page).
- Access regime/HTTP-Code (Statuscode).
- Each quantity of data transferred.
- The web page from which the request originates.
- Browser.
- Operating system and its surface.
- Language and version of browser software.

(2) Cookies

In addition to the aforementioned data, cookies are stored on your computer when you use the Website. Cookies are small data text files which are stored on the device you use and they send to our server information identifying your device. In other words, a unique identification number is created.

It is noted that the so-called “session cookies” are absolutely necessary in order for you to have unimpeded access to our Website and use it. Other cookies are registered on our server only after you give your consent and enable them [when you enter the Website.](#)

This information (data logs & cookies) is used for the following purposes:

- a) To facilitate your entry to and navigation on the Website. Please note that this cookie is stored on your computer and our company does not have

access to it.

b) To handle potential technical issues and protect the Website from any malicious or illegal use (e.g. through the internet protocol addresses file).

B) Information submitted by you - User Information

(1) Date of Birth

Access of minors to the Website is prohibited. For this reason, before you enter the website, we ask you to enter, at your own responsibility, your date of birth, which is anonymous and it is not linked with the internet protocol address of your Computer or any other information of the [Data Logs](#).

The date of birth that you state will not be stored on our server but it is used in order to determine whether you are actually an adult and to grant you access.

(2) E-mail address

Your e-mail address (is stored on the database we keep) is not linked to the internet protocol address or any other information of the [Data Logs](#).

You can ask us at any time to stop using your e-mail address and to cease any relevant contact by exercising the *"[right of objection](#)"*, which is provided to you by the Law.

(3) Contact form fields

To contact us, you can fill a contact form which contains fields for your name, e-mail and a message.

Information about cookies

The cookies used by our Website are mentioned in detail in the following table. Firstly, they are divided into:

a) **"Session cookies"**, which are absolutely necessary in order for you to have unimpeded access to our Website and use it. Session cookies cannot be disabled. Session cookies are small data text files which are stored on the device you use and they send to our server information identifying your device. In other words, a unique identification number is created.

Only our Website can read session cookies. Their purpose is to make navigation of the user on the Internet more friendly and overall more effective.

"Session cookies" are erased when you sign out or close the browser.

More specifically, session cookies contain the following information:

- Unique - random - Website visitor ID.
- Time of first visit of a specific visitor to the Website.
- Time of previous visit of the specific visitor.
- Number of visits of the specific visitor.

b) "Optional Cookies", which we can use only after you give us your consent, namely only if you enable them through the relevant links that we provide to you when you enter the Website. In any case, you can disable "Optional Cookies" at any time in the same way.

Furthermore, our "Optional Cookies" are divided into:

i. "Functional Cookies", which make your visits to the Website easier.

Table with the cookies we use

| Name | Category | description/purpose/ duration | Activation/Deactivation |
|------------------------------|------------------------------------|--|---|
| age-verified | mandatory - "session cookie" | Allows entrance to the Website if it transpires that you are an adult from your date of birth. Otherwise, it refuses access to the Website. It is immediately erased in the end of your visit or in 10 hours if you check the option to memorize your selection. | It is always activated and it is not possible to disable it. |
| <i>_icl_current_language</i> | Functional cookie | It stores the selection of the language in which you wish to read the Website. <u>The duration of this cookie is 24 hours.</u> | Disabling this cookie affects your navigation in case you want to see the Website in a language other than Greek, because you will have to check this option each time. |

The legal basis for processing your data

The processing of your data through this Website is based on the following legal bases, which are provided by Law:

1. Our legal interest to protect the security and the integrity of the Website is the basis for recording the internet protocol address and processing the information from the Data Logs and the mandatory Cookie.
2. The processing of information by Optional Cookies is based on your consent, namely the activation of each cookie when you enter the Website. You can revoke your consent at any time in the same way, by disabling the cookies you do not want.

Links to third-party websites

The Website may redirect to third-party websites which may process data of their visitors/users differently, have cookies that we do not use, etc.

The Company is not responsible for any processing of your data through these websites. For any relevant matter, please see the relevant Personal Data Protection Notices/Policies.

Your rights and how you can exercise them

You can [address our company](#) at any time in order to exercise the following rights, as provided by Law:

- a) To be informed about which of your data is processed by us through the Website and in which manner ("*right of information and access*"),
- b) To request rectification and/or completion of inaccurate or incomplete data, e.g. in case you change your email address ("*right of rectification*"),
- c) To request erasure and/or restriction of processing of your data to the extent that it is no longer necessary or if you believe that the processing is unlawful or in the event where erasure is mandatory by law ("*right to be forgotten*").
- d) To request restriction of processing for as long as your aforementioned request to rectify or erase your data is pending and in case we are obliged to erase your data but you want us to retain the data in order for you to exercise a right, e.g. to raise a legal claim or defend yourself ("*right for restriction of processing*"),
- e) To request your data in readable electronic format and to have them transferred by us to third parties you indicate ("*right to data portability*"),
- f) To object to any further processing, e.g. when you no longer want us to use your e-mail address and inform you about our company ("*right to object*").

[As we mentioned above](#), you can withdraw your consent for the use of Optional Cookies at any time by disabling the cookies you do not want.

In case you believe that your personal data are affected in any way through the Website, you have the right to lodge a complaint with the Hellenic Data Protection Authority [1-3 Kifissias street, 11523, Athens, (+30) 210-6475600, contact@dpa.gr].
